Potomac Soccer Association is excited to offer our summer camps for 2011

The 2011 PSA Summer Soccer Day Camp is designed to enhance and develop each player's knowledge and understanding of the fundamentals of the game. Through competitive, fun, age appropriate activities each player will come away with a greater appreciation for the game, as well as an increased knowledge of the technical skills that are essential to the game of soccer. We are fully committed to having each player learning more about the game through our enjoyable and fun camp experience.

Our staff will offer competitive and rewarding training that will challenge each player to their fullest.

Our staff will be comprised of current and former club, college and professional players, high school and college coaches, as well as many of our own PSA top club coaches, who are all committed to helping each player learn the game better as well as enhance their passion for the game.

Enrollment is limited to ensure quality instruction for each camper. Registrations will be accepted in the order received. Walk-up applications may be accepted provided space is available.
